#### Important Help to Buy: ISA information

Please read the Government's Help to Buy: ISA Scheme Rules (we call these the 'Scheme Rules') as these are part of the contract for your Chorley Help to Buy: ISA. These explain in detail how the Help to Buy: ISA scheme works, and contain some restrictions and key definitions (including the definitions of Eligible Customer, Eligible Conveyancer, Residential Property Owner and First Time Buyer). You can obtain a copy of the Scheme Rules at [helptobuy.gov.uk/isa](http://helptobuy.gov.uk/isa), in branch, or by contacting us on 01257 235003.

Please note you must be 18 or over to be considered for a mortgage. Eligibility for the Chorley Help to Buy: ISA is not conditional on applying for a Chorley Building Society mortgage and you can use the savings from your Help to Buy: ISA and any Government bonus you may receive with other mortgage providers (subject to satisfaction of underwriting criteria).

In the event that the monthly subscription limit is breached due to a late receipt of funds, especially in cases where the payment date nears the end of the month, we may permit the deposit of the funds if evidence can be provided of the actual date the payment was instructed

#### Government Bonus payment

On closure of the account in accordance with the Scheme Rules, you may be eligible to claim a Government bonus. The Government bonus will be available to first time buyers purchasing UK properties of up to £450,000 in London and up to £250,000 outside of London. In broad terms, people saving for their first home through a Help to Buy: ISA will be able to save up to £1200 in the first calendar month of the account opening and subsequent calendar months up to £200 a month. The Government will then top this amount up by 25%. So, for people who manage to save the maximum each month, the Government will be topping up the account with £50 for every £200 saved. The minimum bonus is £400, which means that you will not be eligible for the bonus if the closing balance is less than £1,600. The maximum bonus is £3,000, which means that any part of the closing balance which exceeds £12,000 will not be included when calculating the amount of the bonus.

You can apply for the Government's Help to Buy: ISA bonus when you close your account. An eligible conveyancer must claim on your behalf. For closing requirements please refer to the Scheme Rules.

**Remember**, you must close your Help to Buy: ISA to claim your bonus. To qualify for the Government bonus you must make your claim for the bonus on or before 1 December 2030. Any amounts you withdraw before closure will not form part of the bonus calculation so you should not withdraw or transfer savings you mean to use for the purchase of your first home without thinking about the impact on your bonus.

#### What happens if your house purchase falls through?

If your Conveyancer claims a Help to Buy: ISA bonus but your purchase does not go ahead, we will allow you to pay your Help to Buy: ISA savings into a new Chorley Help to Buy: ISA, we will need your Purchase Failure Notice from your conveyancer and closing documents previously issued by the Society. You must do this within 12 months of closing your Help to Buy: ISA. Your new account may not have the same account number or account conditions but we will provide you with this information at the relevant time.
