The Power of Attorney document

The Power of Attorney document must relate to “**Financial and Property Affairs**” and must be either the original sealed copy or a copy certified and dated on each page by a Solicitor.

Identification

To meet the requirements of the Society’s identification criteria, the Society will undertake an electronic check through its chosen credit agency in order to fulfil this. If the electronic check is unsuccessful, we would then require one form of identification from List A and List B as stated in our Identification Criteria.
